Treasurer's Report: None at the time. A report will be sent from the school secretary to the treasurer in a couple of days.

Clothing Report:

- State Track t-shirts will be paid by the Boosters (team members and 2 coaches)
- Brandon East has agreed to take baseball/softball pictures

Athletic Director's Report

- Boy's Basketball Uniforms cost \$3616.00
- There will not be a youth velocity program this summer. There will be a lifting program set up for the high schoolers.

Old Business

- No update on the sign in the commons.
- Window clings were delivered a few weeks ago.
- Scholarships were awarded May 12 during the Academic Awards night. The committee would like to make some changes to the scholarship qualifications: recommendations can come from 1 non coach and 1 Westwood employee. Sports played at Westwood count, not sports from other schools.

New Business

- Athletic Boosters will keep the salt sales. We still need to find someone to run the sales.
- Money left in salt sales accounts from graduating seniors cannot be left to another athlete, it goes back into the Booster account.

Next meeting will be in August. Booster meeting will be the 4th Wednesday of the month.
