February 26, 2021

Westwood Parents & Community:

On the afternoon of Tuesday, March 2nd, a majority of our staff will be getting their second round of immunizations. Please know this date was assigned to us and we are unable to change it. It is estimated that up to 50% of the people getting their second immunization shot will have side-effects. It is also estimated that up to 10% may have stronger reactions that could prevent working the next day. It is our intent to provide education on March 3rd. If, by some reason we have a larger percentage of staff that are unable to work the following day, we will have to call an E-Learning day. This will be decided by 6 a.m. on Wednesday morning. K-12 students will bring their Chromebooks home after school on March 2nd. Hopefully, they will bring them back to school the next morning. But, again, there is a possibility that we will have to use them.

Please read how an E-Learning day looks like at Westwood. [E-Learning Letter.](#)

Again, we are looking forward to a smooth week to start March with students at school each and every day!
