January 15, 2021

This week's numbers show a decline in all areas except elementary quarantines. Most students are quarantined due to a positive test from someone living in their home. Staff are required to quarantine for the same reason.

The district still has immediate openings for associates and paraprofessionals. The district is without substitute bus drivers. If a driver is gone or must take students to an event, an administrator must drive. Please spread the word that we could use drivers!

The Western Valley Conference has allowed schools to open their attendance procedures starting on the 18th. Each school will have different allotments of tickets due to the seating in each gym. Communication will be sent out so families can plan for upcoming games. The school board will be voting on a plan of attendance for our home games this Wednesday night.
