January 8, 2021

Our numbers have jumped up since break. Due to cases on the basketball team, the district cancelled Friday and Saturday's games. The varsity contest with RidgeView, originally tonight, will be played on January 23rd. The junior high games on Monday and the varsity games on Tuesday will follow the conference policy listed below the chart. Stay safe everyone!

It is the priority of the Western Valley Conference to ensure the safety of all participants and the ability for them to finish the season. Due to the late notice regarding event attendance from the Governor's Office the Western Valley Conference will continue to use guidance previously in place for middle school and high school events until January 17th.

Previous guidance:

- Spectator rules include players, cheerleaders, dance teams and coaches
- Masks and social distancing required.
- Districts are only allowed to provide tickets to the members of the household that the athlete/performer reside under the same roof with **OR** two tickets. **Not both for one athlete.** If a family has a household attend the game, they are **not** permitted to give 2 additional tickets to others for that participant.
- If a family has two participants, they get two allotments and are not limited to a single household. For example, an athlete participates in girls' basketball and her brother is on the boys' basketball team, one participant can invite the household and the other participant gets a maximum of two additional tickets.
- A student who is living in two homes would be allowed to have passes for members of both households. If a participant has a divided household (i.e., the parents have joint custody), both halves of the family are part of the participant's household. They are both households for the participant, when viewed from the participant's vantage point.
- Spectators will need to leave once their participant(s) are finished competing for the night.

The mission of the Westwood Community School District is to provide the environment

and curriculum necessary to assist all students in achieving their fullest potential.
