November 25, 2020

I have a lot to be thankful for here at Westwood. It all starts with great students and staff but as you know this year is different. I'm thankful for being able to have those students and staff at the school all fall! Schools around the state have had to go to remote learning but our numbers show we are doing something right. Our great custodial staff will continue to make our learning environment clean. The bus drivers will keep spraying down the buses after routes. And our staff and students will keep wearing masks and creating distance when possible.

As you will see on the district's website and Facebook site we have a new added feature at the school. Our new Wall of Fame is by the concession stand in the commons. This new touch screen monitor has revolving pictures, a calendar and a live Twitter feed. There are three tabs at the bottom that will launch you to the three A's of school: Academics, Activities and Athletics. Each tab will have sections that include information about the best students Westwood has had step through our doors. There are also sections about the Athletic Boosters, Music Boosters and Foundation. We have a lot of information to upload but be sure to check out the team and individual records. Plus, every Westwood Yearbook is at your fingertips. Not only can you view it on the monitor but on the website: <http://westwood.touchpros.com/>. Spend some time with family this weekend scrolling through your (or your parents) yearbooks. A big thanks goes out to Lori Matthias for collecting all the yearbooks!

Have a great holiday weekend! -Jay Lutt

The mission of the Westwood Community School District is to provide the environment

and curriculum necessary to assist all students in achieving their fullest potential.
